WARRIORS BEAT LIBERTYVILLE BASKETBALL WILDCATS 84-80 IN THRILLING OVERTIME

Roy Moss appears to be the man in command, as "Butch" Meyer (34) and Fred Kusch (52) are in close for the Warriors against Libertyville.

By Gene Brooke

"Lady Luck" was with the Warriors last Friday night as they squeaked out a narrow victory over the tough Wildcats of Libertyville. Trailing throughout the whole game, the Warriors didn't catch Libertyville until the last 30 seconds. With the score at 74-74, the game went into overtime. The Warriors caught fire as Kusch hit on a hook shot and then immediately came back to sink a jump shot which gave the McHenry boys a 4 point lead and their margin of victory. With the 4 point lead and the cheers from an enthusiastic crowd, the Warriors were on their way to victory.

The first quarter was the kind basketball fans dream of watching. Both teams shot at a good clip and scored with ease. Libertyville scored 24 points in the quarter. The Wildcats were lead by Tom Mellen who scored 10 of his 27 points during this stanza. Our hats are off to Tom — he played spectacular ball and kept the Wildcats in contention all the way. The Warriors were lead by Kusch and Smith. Kusch had 9 points and Smith had 7. This accounted for 16 of McHenry's first 20 points.

Teams Cool Off

The second quarter found both teams cooling off a little. Mike Dahl started hitting for Libertyville and sank 7 points in the quarter. Kusch, Laurence and Smith led the Warriors with 6-3-4 points apiece. The half ended with McHenry trailing by a point, 38-37.

The third quarter was fought on fairly even terms. As the quarter ended, the Warriors found themselves three points behind. The McHenry boys had trouble catching the Wildcats and trailed by as much as 6 points at times. However, the Warriors started using a full-court press. Trailing by 2 points with seconds left, Kusch leaped high to steal a Libertyville pass. He threw quickly to Newkirk and Chris made a lay-up to tie the game.

Fred Kusch led the attack during the over-time period scoring 7 of our 10 points. During this period, the Warriors held Libertyville to 6 points and as a result won their 5th conference game.

The game was characterized by many fouls and was a tough, hard fought contest. The Warriors made 24 of 42 charity throws. Libertyville made 34 of 48. Kusch led McHenry with 28 points. Smith and Laurence followed with 22 points and 10 points each.

SUE NOWAK DAR WINNER AS "GOOD CITIZEN"

Selection Of Senior Student Made By Vote Of Faculty

Sue Nowak, daughter of Mr. and Mrs. George Nowak of 1502 W. Bay road, McHenry, has been named winner of the Good

SUE NOWAK

Citizen award made by the Kishwaukee Trail chapter of the Daughters of the American Revolution. She is 17 and a senior in the McHenry high school.

Her selection came through a vote of the faculty after the finalists, chosen from among all girls in the senior class, had been narrowed to three. The DAR honors one girl in the school each year for the qualities of dependability, service, leadership and patriotism.

Miss Nowak has been president of the Future Teachers of America for two years, a member of the Spanish club for two years, student secretary four years and a language laboratory assistant two years. She ranks in the top 8 per cent of her class.

As a junior, she was prom chairman and also student director of the class play.

From among individual school winners, a state and national Good Citizen will be named.

Chapter 3 THE BEGINNINGS OF GOVERNMENT IN THE UNITED STATES

The roots of American government reach deep into the past. This system of government did not suddenly spring into being as at the wave of some political magician's wand. Nor was it pulled out of thin air by the

The Colonial Period

The English Heritage. The French, Spanish, Dutch, Norwegian, and other Europeans settled in parts of what was to become the United States. But it was the English who came in the largest numbers. And it was the English who came to control the thirteen colonies that stretched for 1,200 miles along the Atlantic seaboard.

The Colonial Period

SETTLERS AT WORK

Early Americans had to live together in harmony, or they would not survive. This was called "government in order to live," the beginning of our government today.

of which are to be found today — courts, juries, jury, sheriff, coroner, and justice of the peace, for example. And all of these were well known in England long before the first Englishmen ever landed in America.

(1) *The Two Concepts of Limited Government and Civil Liberties*. They brought with them, too, the twin ideas of limited government and civil liberties. That is, that government is not all-powerful, that government is limited in what it may do, and, negatively, that it is limited in the sense

that each man has certain rights that government cannot injure or take away. These great principles of freedom were proclaimed in such historic English documents as the Magna Carta in 1215, the Petition of Right in 1628, and the Bill of Rights and the Act of Toleration of 1689.

(2) *The Concept of Representative Government*. A third vitally important concept brought to America in English ships was that of representative government. For centuries there had been developing in England the
